Subcommittee Updates
The Benchmarking Subcommittee shared preliminary, unanalyzed results of the faculty, undergraduate, and graduate online surveys with the committee. The survey will remain open for approximately one more week, as a final reminder was sent to the recipients who have not yet responded. The staff survey will be sent out in the near future.

The Mentoring Subcommittee reviewed the draft of the Faculty Mentoring Resources Web site. The subcommittee will continue to work on this site in 2008-2009. The main objective will be to include specific reference tools to the drafted guidelines.
