RE: University of Pittsburgh, Pittsburgh, Pennsylvania
Oral and Maxillofacial Surgery Program
Status: Approval without Reporting Requirements (3)

Dear Dr. Gallagher:

At its February 9, 2023 meeting, the Commission on Dental Accreditation (CODA) granted the oral and maxillofacial surgery program the accreditation status of “approval without reporting requirements” with the stipulation that enrollment be limited to three (3) residents in each year of the program. The definitions of accreditation classifications are linked below. Below is a summary of actions and additional information.

Oral and Maxillofacial Surgery Site Visit

The Commission considered the site visit report on the oral and maxillofacial surgery program.

On the basis of this review, the Commission adopted a resolution to grant the program the accreditation status of “approval without reporting requirements” with the stipulation that enrollment be limited to three (3) residents in each year of the program.

No additional information is requested from the program at this time. The next site visit for the program is scheduled for **2027**.

General Information

The findings of the Commission on Dental Accreditation are noted in the attached Commission approved site visit report. Oral comments made by site visit team members during the course of the site visit are not to be construed as official site visit findings unless documented within the site visit report and may not be publicized. Further, publication of site visit team members’ names and/or contact information is prohibited.

One copy of this report has also been sent to the chief administrative officer and program director copied on this letter. The Commission requests that a copy of this report be forwarded to the chairpersons and appropriate faculty.

Dr. Patrick D. Gallagher

The Commission expects institutions to keep the Commission informed as soon as possible of anticipated changes in any approved educational program offered, particularly in the areas of administration, enrollment, faculty, facilities and curriculum. The Commission's policy and guidelines for reporting program changes are linked below. Guidelines for specific program changes, including reporting enrollment changes, adding sites where educational activity occurs, and developing a teach-out report are found on the Commission's website.

Institutions/Programs are expected to follow Commission policy and procedure on privacy and data security related to compliance with the Health Insurance Portability and Accountability Act (HIPAA). *The Commission's statement on HIPAA, as well as the Privacy and Data Security Summary for Institutions/Programs (PDF), are found in the Policies/Guidelines section of the Commission's website at <https://coda.ada.org/policies-and-guidelines/hipaa-compliance>. Programs that fail to comply with CODA's policy will be assessed an administrative fee of \$4000.*

The Commission has authorized use of the following statement by institutions or programs that wish to announce their programmatic accreditation by the Commission. Programs that wish to advertise the specific programmatic accreditation status granted by the Commission may include that information as indicated in italics below (see text inside square brackets); that portion of the statement is optional but, if used, must be complete and current.

The program in oral and maxillofacial surgery is accredited by the Commission on Dental Accreditation [*and has been granted the accreditation status of "approval without reporting requirements (3)"*]. The Commission is a specialized accrediting body recognized by the United States Department of Education. The Commission on Dental Accreditation can be contacted at (312) 440-4653 or at 211 East Chicago Avenue, Chicago, IL 60611. The Commission's web address is: <https://coda.ada.org/>

The Commission on Dental Accreditation has accredited the program in oral and maxillofacial surgery. However, accreditation of the program does not in itself constitute recognition of any dental specialty status.

The Commission wishes to thank you and the faculty and staff for their cooperation during the site visit. If this office can be of any assistance to you, please contact me by telephone, at 312-440-2788 or by e-mail, at soeldnerp@ada.org.

Sincerely,

Peggy Soeldner, M.S. Ed
Manager, Advanced Dental Education
Commission on Dental Accreditation

PS/cc
