Dear Ms. Dinger:

This letter is formal notification of the action taken by the Accreditation Commission for Education in Nursing (ACEN) at its meeting in September 2020. The Board of Commissioners granted continuing accreditation to the baccalaureate nursing program and scheduled the next evaluation visit for Spring 2028. Please see ACEN Policy #9 Disclosure of Information About an Accredited Program for the required disclosure statement regarding this decision that must be made to all current and prospective students within seven business days of this letter.

Deliberations centered on the materials available to the Board from this accreditation review process and the recommendation for accreditation proposed by the peer evaluators on the site visit team and the Evaluation Review Panel.

The Board of Commissioners identified the following:

#### **Areas Needing Development**

##### **Standard 1 Mission and Administrative Capacity, Criterion 1.8**

- Ensure the nurse administrator has sufficient time to fulfill the role responsibilities.

##### **Standard 4 Curriculum, Criteria 4.7 and 4.11**

- Ensure evaluation methodologies measure the achievement of the end-of-program student learning outcomes.
- Ensure learning activities, instructional materials, and evaluation methods are appropriate for all delivery formats and consistent with the end-of-program student learning outcomes.

##### **Standard 6 Outcomes, Criterion 6.1**

- Ensure the program demonstrates that there are specific, measurable expected levels of achievement for each end-of-program student learning outcome.
- Ensure the program demonstrates that there are appropriate assessment methods that result in meaningful data for each end-of-program student learning outcome.

Congratulations on this outstanding achievement! We look forward to continued successes for your nursing program. On behalf of the Board of Commissioners, we thank you and your colleagues for your commitment to quality nursing education. In addition to this official letter, your nursing program will receive an ACEN certificate authenticating the Board of Commissioners' decision. The processing of these certificates has been delayed due to the COVID-19 outbreak and will resume when ACEN staff members are able to return to the office. If you have questions about this action or about ACEN policies and procedures, please contact me.

Sincerely,

Marsal P. Stoll, EdD, MSN  
Chief Executive Officer
